

Carlos & Joe .com

With 25+ years of experience in music performance, Carlos Morales and Joe Miranda, have what it takes to “*Get the Party Started*”!

We have an extensive selection of songs, from the past and the present, from Rock to Reggae; Latin to Blues and everything in between. Our goal is to share laughter, dance and interact with the audience as much as possible.

Carlos and Joe are Spontaneous and interactive. We “go with the flow” every group of people is different; a new group friends to share laughter and music with. We primarily play locally up and down the gulf beaches. However, we are also available for weddings, corporate events, and private parties, so we do own shoes...but shoes cost extra!
